LOGS AND LAWYERS.

THE TRIAL OF JULIUS WITKOWSKI IS

A Half Day's Session Last Saturday-Mr. Car e will be Opened To-day.

The trial of the indictment of Julius Wit-kowski, who was indicted jointly with Gen. Negley and others for conspiracy to present a false claim against the Government of the United States, was resumed before Judge MacArthur in the Criminal Court on Saturday, that being the sixth day of the trial.

ager than is usual.

Hon. Mair. Carrienter resumed his arrument in provi of the motion made on Friday is discharge to the defendants to the indictment on the ground at there had been no evidence to prove a contrary, as had in the indictment. He reviewed e facts which had been proved, and argued that e existence unight tend to establish a fishe claim; ght show perjuly or substruction to perjuly on a part of some of the individuals charged, but it did not prove, or even tend to prove a conspiracy.

THE COURT'S JUDGMENT.

THE COURT'S JUDGMENT.

Judge MacArthur stopped Gen. Wells when heroes to reply, and said that the Court was ready of decide the motion at this time without any untries against the state of the proposed of affecting General Negley he at the purpose of affecting General Negley he and the other party who moves that the attorney who resecuted these claims, and the other party who indoesed the loyalty of the applicant might about a well new been included in the indictment as well new been included in the indictment of the second of the second of the indiction of the purpose of the purpose of the purpose of the purpose of the indiction of the purpose of the purpose

e in pressing upon the Government for y as FAVERT OF A FAISE CLAIM, while it to be false, would be evidence which it at least, to be submitted to the jury. He did not be to be faise, would be evidence which it at least, to be submitted to the jury. He may be submitted to the submitted to be into any bins with regard to the weight of that tempor, to the extent which it tends to sustain the president of the constituent there was a compliancy. He would abstain from that, and was, therefore, which did not supposed that he might say, which extricted in giving his views upon the as it should but supposed that he might say, and there is attached to it attaches at all the interests of the endants of sustaining a periminary claim squame to the did advite, southers and certificates for means of sustaining a periminary claim squame to the did advite, southers and certificates for means of sustaining a periminary claim squame to the did advite, make the circle years the unrely succeed to a submitted to the supposed every year frere was comment, and he supposed every year frere was come, and certain beautiful to the fewer many control and the supposed every year frere was controlled. ann he supposed every year there was perhaps flocison, allowed input just such interfal branches of the claim itself, are false the claimant can be punished, so ways, under the second claims of the An Indicincent may be mathrialmade in the control of the claimant of the control of the claimant in the claim in the claim in the claimant of the claim in the clai

A Sharp Trick.

A Sharp Trick.

Saturday morning, at the Eleventh-street wharf, the fish impector discovered a trick which, if carried out, would doubtless have caused sickness in a great many families. It seems that since the cyclone of Thursday there have been no cystes brought from the beds, and as three was a searcity it came to the ears of the capatiles of a couple need to be the control of the capatiles of a couple been unable to discove of their carriers. Faring that they were spoiling, they secured some fresh that they were spoiling, they secured some fresh cysters, spread them over the lop, and salied up to Washington to dispose of their bivalves. Owing to the scarcity in the market they were not long in selling out to the numerous shuckers who infest the scarcity in the market they were not long in selling out to the numerous shuckers who infest the scarcity in the market they were not long in selling out to the numerous shuckers who infest the scarcing in the scarcing of the scarcing of the scarcing in the scarcing of the scarc

The beautiful clear weather of yesterday brought out a large congregation of worshipers at the Foundry church. Rev. B. Pryton Brown presched a sermon on the humanity of leaus Christian the text in the gaspel by John, 11th chapter 5th verse, 1seus word. After the sermon the merament of the Lord's Supper was administered to 100 communicants and three presents planed they thank. The Predictor, with Mrs. Hayes and their thinks. The Predictor, with Mrs. Hayes and their thinks. The Predictor to the community search, Mrs. Hayes remained to the community of the Aller of the Community of the Communication of the Predictor of the Community of the Predictor prior to their returns to their residence at the Saidiers Hosse.

as the Soldiers' Hosse.

The young ladies of "Mount Vermon Seminary," under the charge of Mrs. Summers, alster of the late Rev. Dr. Eddy, have selected this church as their place of worship, and Mr. Brown has had assigned for their use the pees timediated to the right of the rulpit. It was a plansing eight vestorday when approached the alter one of these young ladies approached the alter two of these young ladies approached the alter two.

THE NATIONAL CHAMPIONSHIP.

The professional championship has been decided, and Boston floats the permant for the fourth time. It spite of the big salaried ultim of thicker, who account of their poor batting and the worst fielding of any other club in the areas, are booked for the tail and of the procession in easo the games of the Christian and the procession in easo the games of the Christian are thrown out, and the indications are that such will be the case. Louisville has secured second place beyond a doubt, as it finished all its games last week. Beston and Louisville are the games of the week. Beston and Louisville are the games that week. The short made Louisville are the panes. Herodayn, however, has such a lead for third place that it cannot be overtaken either won-tests, the question of who shall be fourth yet remains to be settled. Hasmuch as the agony is over, it will have be worth white to publish over, it will have be worth white to publish over, it will have be worth white to publish over, it will have be worth white to publish over, it will have be to for the information of the committee is made, but for the information of the many interested readers of Tim Raycanicas the subplined summary may be useful. persons. The singing was excelent. Mr. Cecelia persons. The singing was excelent. Mr. Cecelia pects for the new organ are bright.

Church of the Hedecemer.

The first public service of the Church of the Redecemer. Reformed Episcopal Church, organized last Friday evening by Bight Rev. Samuel Pallows, the presiding bishop of that church, was held yesterday worning in Kindergarrien hall, cornier of Eighth and K streets. Bishop Pallows officiated, assisted by Rev. J. C. Prait, rector of Trinky church, Boulder Chy, Col. The service, conducted in acceptance of the Protestant Episcopal Church. Bishop Pallows proceded an albe and evangelied discourse on faith from 1 Samuel, xiv: 6, and closed the service with an earniest extensions proceded an albe and evangelied discourse on faith from 1 Samuel, xiv: 6, and closed the service with an earniest extensions proceded an albe and evangelied discourse on faith from 1 Samuel, xiv: 6, and closed the service with an earniest extensions proceded an albe and evangelied discourse on faith from 1 Samuel, xiv: 6, and closed the service with an earniest stempore prayer. 28 pervelously announced, in the Congregation and chert, the body of which was filled, the congregation embracing a number of Episcopalians of this city and though the control of the service by Rev. 2, C. Prait and Rev. 07. In the Congregation of the following of the service by Rev. 2, C. Prait and Rev. 07. In the Congregation of the following of the service by Rev. 2, C. Prait and Rev. 07. In the Congregation of the congregation of the following of the proceded of the reading of the service by a voluntary choir, consisting of Mrs. D. 8. Ward, Mrs. Kimball, C. C. Esser and D. Johnston; Dr. Kimball presiding at the great organ and the congregation joining in the hymns.

Bishop Pallows preached on "The Church," Corinth, to them that are sanctified to this is at a called to be saints, with all that in every place call upon the name of Joseph Church and the control of the control of the control of the control of the contr

unity and universality of the church. There is no spirit of bigotry and inolerance here. Science leaches us the unity of the universe and of the human race coming to learn the political unity of nations, and that the world of Hiersture is one; that streece cannot monopolice Houser. England Bacon, Italy Bante, Germany Goethe, or America Longfellow. But how is it with the unity of the church of Christ? O'to our shame be it said, this unity has been denied. Men claiming a certain surity as been denied. Men claiming a certain exclusivation of the human tracks of the church of Christ? O'to our shame be it said, this unity has been denied. Men claiming a certain exclusivation of a bishop's hands, have undertaken to ignore the speaker. I claim the Episcopal martyr Ridley, the expect of the said of the said of the congregationalist Payson, the Presbyterian Calvin, the Baptist Judson, the Mathodist John Wesley, who said "the world is my partsh," as unite, by virtue of the same spirit of devolon to Christ that autimated them all. The unity of the Christian clurch is a truth upon which we are to waters of the unity Messestuph through our track, as to try to confine the manifestation of God's spirit to the unity of Messestuph through a construction of the confine the manifestation of God's spirit to the unity of Messestuph through a construction of the confine the martinestation of God's spirit to the marty change of the Protestant Episcopal Church, did not desire to create a new Church, but simply to bring it back to the old paths. He merely carried out the those of the original reformers who originated the Church of American and assumption of a special and exchange in the character of the surface of the surface, that with the character of the surface of th

The chapel recently erected by the Whitney Avenue Union Mission Association on the Whit-ney avenue entrance to Soldiers' Home grounds was dedicated yesterday afternoon with appropriate was dedicated yesterday afternoon with appropriate exercises, which were participated in by Revs. Dr. Parker, J. & Rankin, J. T. Kelley, P. D. Power, B. Perton Brown and A. T. Mason, and by a choir composed of intenders of different church choir in the city. By the secretary's report in appropriate that the enterprise was inaugurated in February last by a few ladice residing in the vicinity of the seventh-struct toll gate, representing seven different denominations, but induced with the one purpose of promoting religious interest in that vicinity, ignoring all creeds, and taking the Bible alone for their guide.

On the 28th of February the following efficers were electred: H. Clay Steer, superintendent: W. A. severeary: Mes. John Printendent: F. L. Quinny, severeary: Mes. John Printendent: F. L. Quinny, severeary: Mes. John Printendent: P. L. Quinny, Severeary: Mes. John Printenden

-Thirty-three tramps lodged in the station uses Saturday night. -Fast driving on the streets is be e of our greatest evils.

The recent rain has caused a great deal of the air and water in the gas metres.

The pump on C street, between Sixth and eventh streets, is very much in need of repairs. -A sink is necessary to eatch the wast

water from the pump corner Thirteenth and 8 streets.

—The police made fifty-two arrests during Saturday and Saturday alght. Nincisen of these were for drunkenness.

—The House and Senate will be ready for eccupation the latter part of this week. The committe rooms have been thoroughly renovated and put in repairs, and are now ready.

—About seven o'clock yesterday morning officer Shelton faund a fleek of ten siscep in Lincoln square and took them of the Eighth precinet station house to await reclamation.

—Public singing rehearasts are held by the advanced class in music every other Thursday in the Franklit Permade Grammer school room, at 215 to 16, under the direction of Prof. Daniels.

—A meeting of delegators from all the trade unions in the District will be held at Bater's Hall, Eighth, and E streets, this evening, to initiate a movement for eigenating a national trades union.

—Mr. Ned Derrick, of this city, went on a

—Mr. Ned Derrick, of this city, went on a lotting excursion to the mouth of the Patuxes reversard succeeded to presuring three hundres of fifty ortolan birds during the cyclone of nursiday. —A female colored infant, only a few hours old, was found about 10 o'clock last night on the steps of Mr. H. C. Sholor house, on Twenty-third treet northeast. It was taken to the Eighth pre-cinct station by Officer McKenna.

met station by Other McKenna.

—Saturday afternoon about three o'clock a clored man named William Jackson was prostrated in front of National Hotel with hemorrhage of he lungs. He was attended by fir. Mac Williams and taken to his home at Boundary and Seventh treets by Officer Dubots.

streets by Officer Dubots.

—Saturday aftermoon while a little white bey was playing on the Patent Office railing his foot slipping, he fell and one of the cylics rain into his chin, hurting him seriously. He was taken to the drug store, corner of Ninth and Febrest, and afterward to his home on E street, and medical aid procured. boys in Prather's alley made an ef-

fley of a man and raised considerable disturbance in the alley last evening. About two hundred hooding, yelling how were railying around the ef-fley when Officer Boare supeared, captured the ef-fley and earried it to the Seventh precinct station where it was cared for last night. —The banks of Rock creek in the vicinity of Lyon's mill were lined with spectators yesterday afterneon to witness the baptism of seven convert of the First Raptis church, of Georgetown. Rev Sandy Alexander officiated, and amilest great shouting and singing the converts were dipped in the water and cleanated of their spiritual infirm

ities.

One of the sights on the streets on Saturday was a platoon of young ladies walking two by tex, and accasionally making a fash and getting all mixed up when something pretty in a store window timeced their attention. These were the young ladies of Caut. Perilec's school, Alexandria, and during the day they shook hands with the President at the While House.

At a meeting of the Journeymen House inters at fisher's hall Saturday night, Mr. W. root, prevident, and John J. Menny, secretary, e resolutions adopted by Columbia, Typographi-Union were indorsed, and Messre, W. Beron, E. Rawlings and John J. Menny were elected deleted to the Trades Union meeting to-night. There as also a meeting of grainers Saturday night, at bleh delegates were elected.

hich delegates were elected.

John Dwyer has a cow which is quite a just to the family, and as Sinday was an off day in the fundly, and as Sinday was an off day in thought he would take her out for a picule all electer gets before the freets sine and killed it, so he picked out one of the overtiment receivations in the First ward for a seture, but one of the boys in brass buttons put it end to the excursion by marching John to the attent-house, and he will interview Judge Snell its mornius.

fred Marshall.

—About 7 o'clock on Saturday evening one of Hall & Hume's wagens, driven by James Kennedy, ran into a hole in the navoment on Twenty-fourth street, between 1 and K northwest, and its continuits, each of the wagen was broken, and its continuits, each of the half was broken, and its continuits, not the half is head badly cut, and was bruleed about set half his head badly cut, and was bruleed about set for his his was taken into the house of Fulice Officers, and her was deep the half of the house of Fulice Officers, and her was deep to his home in Georgetown.
